

IS PRACTICALLY ALL CUT WITHOUT DAMAGE

Alberta Will Have a Full Crop of Potatoes. The late of the Railways in Alberta. Perfect Harvesting Weather. Has Prevailed.

Calgary, Sept. 7.—From every point in Alberta the same story is heard—almost weather for harvesting the potatoes. The report supplied by Superintendent A. Price, of the railway division of the C.P.R., of conditions along the line of that railway in Alberta is as follows:

Alfalfa—Crops in good condition, harvested by frost, grain more than half cut.

Corn—Weather favorable, all crops in good condition.

Carrots—Crops in good condition; harvest in full swing, no damage.

Disbury—Weather dry and warm; crops in good condition.

Old—Weather very warm and favorable; no damage; crops in good condition.

Bowen—Weather very favorable; potatoes in good condition.

Insular—Crops in excellent condition; no damage.

Penfold—Fine weather for harvest; crops in good condition.

Blackhead—No damage by hail or frost; warm and dry; crops in good condition.

Potatoes—No damage; crops in good condition.

Wetaskiwin—Crops in excellent condition; weather perfect; never brighter for record crop.

Willet—Crops in good condition; heavy frost, no damage; weather very favorable.

Leduc—About 80 per cent grain cut; most of late; prospects good.

Strathcona—Crops in good condition, cutting about two-thirds done; weather fine.

Canons—Just starting threshing; very favorable; good crop.

Dayland—Crops in good condition, too early to the yield; weather fine.

Strom—Fine, shining weather; crops in good condition; harvest good.

Hardisty—Crops in good condition; just commenced threshing; weather fine.

Alta—Weather fine; crops in good condition.

Braken—80 per cent grain cut; threshing started yesterday; crops in good condition.

Stettin—All last week very hot, crops excellent; no damage.

Ukukoke—Crops in good condition; heavy yield; weather fine.

High River—About 80 per cent grain cut; weather warm.

Wetaskiwin—Crops in excellent condition; nearly all cutting done.

Glendon—Crops in excellent condition; no damage from hail or frost.

Nanton—Crops in good condition; weather favorable.

Stavely—Crops in good condition; weather favorable.

Charlestown—Crops fair; weather cool and dry.

Grass—Crops in good condition; weather warm; wheat damaged from the late frosts.

Brackton—Crops in good condition; reported slight damage by frost at night.

Lehrberg—Crops in fair condition; weather favorable for cutting.

Fincher—Crops in good condition; weather fine at night during past week; no damage to crops.

Coaldale—Crops in good condition; weather favorable.

Stathmore—Weather last week very warm, latest quality of barley and wheat cut and about one-quarter done.

Parkland—Crops in good condition; weather fine and hot.

1,000 BUSHELS OF 40 ACRES.

Threshing Return From Farm in Lehrberg.

Lehrberg, Sept. 7.—T. H. Brown, two miles south of Coaldale, near here, threshed 1,000 bushels of wheat in about forty acres, an average of 47 bushels per acre.

The instructor's school had a Hospital Sunday and tag day in aid of the hospital. The returns amounted to about \$20.

Two Hypotheticals as Yet.

London, Sept. 7.—Today Sir Gilbert Parker, in the House of Commons, said that the Premier's speech which the North pole land discovered by Dr. Cook could be considered as belonging to Canada. Aquith replied that the question involved too much hypothesis to be answered definitely at this time.

Peary's Steamer Sighted.

St. John's, Nfld., Sept. 7.—Commander St. John's steamer has been sighted off Battle Harbor.

TO-DAY'S GRAIN MARKETS.

Winnipeg, Sept. 7.—There was very little doing in the wheat markets this morning during the early part of the session and noon features a little easier. The government report, which came out shortly before the close, was considered bullish and markets became very active, prices advancing about a cent.

The condition of spring wheat as of Sept. 7, based on 1909, was as follows:

Briefly, there is a little in the news to encourage holders at present, but in the more distant future, the situation in foreign markets, Liverpool, looks closing 1/2 higher while the Chicago elevators are 1/2 higher, Minneapolis 1/2 higher and St. Louis 1/2 higher.

Winnipeg closing prices are: Futures—September 8th, 94c; October 94c; November 94c; December 94c; May 94c; September 1st 127, October 128.

Cash wheat—No. 1 Northern, 94c; No. 2 Northern, 94c; No. 3 Northern, 94c; No. 4 Northern, 94c; No. 5 Northern, 94c; No. 6 Northern, 94c; No. 7 Northern, 94c; No. 8 Northern, 94c; No. 9 Northern, 94c; No. 10 Northern, 94c.

COLONIAL CHURCH WORK.

Rev. W. G. Boyd, one of the private chaplains of the Archbishop of Canterbury, is in Edmonton; present with a view to establishing a community of clergy who will do what they can in colonial work on behalf of the church. The great death of men to enter the mission fields in the newly settled districts of the province and in the railway camps along the G.T.P. has come to the attention of the church.
